O R D E R

The Court has before it a *pro se* prisoner petition (Docket Entry No.1) under 28 U.S.C. § 2241, for writ of habeas corpus¹.

The petitioner has neglected, however, to either pay the fee required for the filing of the petition or submit a properly completed application to proceed in forma pauperis.

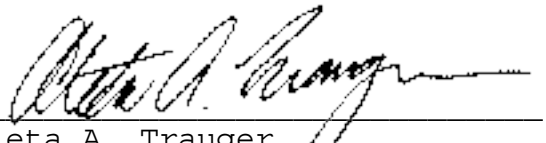

Accordingly, the petitioner is hereby GRANTED thirty (30) days from the date of entry of this order on the docket in which to either pay the filing fee of five dollars (\$5.00) or submit an application to proceed in forma pauperis. The Clerk will provide the petitioner with a blank application to proceed in forma

¹ The petitioner has not specifically identified the statutory basis for her habeas petition. However, she alleges that she has been "deprived of the time served in the community corrections program". Such a claim questions the execution of her sentence rather than its imposition. Under such circumstances, 28 U.S.C. § 2241 is the appropriate vehicle for resolving this claim. See United States v. Jalili, 925 F.2d 889, 893 (6th Cir. 1991).

pauperis along with a copy of Administrative Order No. 93.

The petitioner is forewarned that, should she fail to comply with these instructions within the specified period of time, the Court will presume that she is not interested in pursuing this matter and will dismiss the case for want of prosecution. Rule 41(b), Fed.R.Civ.P.

It is so ORDERED.
